TERMS AND CONDITIONS

1 – ANNOUNCEMENT

TEAMONITE LTD, the first online shop in Mauritius to customise high quality t-shirt, polo and active wear with your design, company logo, photo or text, hereby announces the **Teamonite 1st Anniversary Design Contest**.

2 – THEME

Moris mo tizil

What does it really mean to be Mauritian?

We all have our own vision of what being a Mauritian entails. The raw beauty of our island lies in this plurality of visions.

This year, our country is hosting the 10th "Jeux des îles de l'Océan Indien" and that event has stirred back to the surface a deeply anchored sense of patriotism within each one of us.

As a young and dynamic local brand, Teamonite aims to promote and give value to local talents. This is why, in line with our very first anniversary, we are organizing a Design Contest.

The Theme: Moris mo tizil, seemed like the perfect choice. Why? Simply because being Mauritian is different in each and everyone's heart. We wanted to help people figure out what it meant and capture it in a design.

The theme is meant to be broad, it goes from the local folklore, the different unique dialects and slang, the magnificent cultures, the fauna and flora and jaw-dropping landscapes to the small details that makes our daily lives a little less monotonous.

Yet it doesn't have to stick only to the above mentioned, we want you to show us how you see Mauritius, and what it means to you.
